

# Where great Baltic products come from?

***JZ Microphones*** preferred by Lady Gaga and Madonna and used by top recording studios for last 20 years

Latvia is the smallest nation to ever become a colonial power, as the Duchy of Courland set up colonies in Tobago, Trinidad and Gambia in the 17th century (pictured: memorial cannons in Fort Jekabs, Tobago).

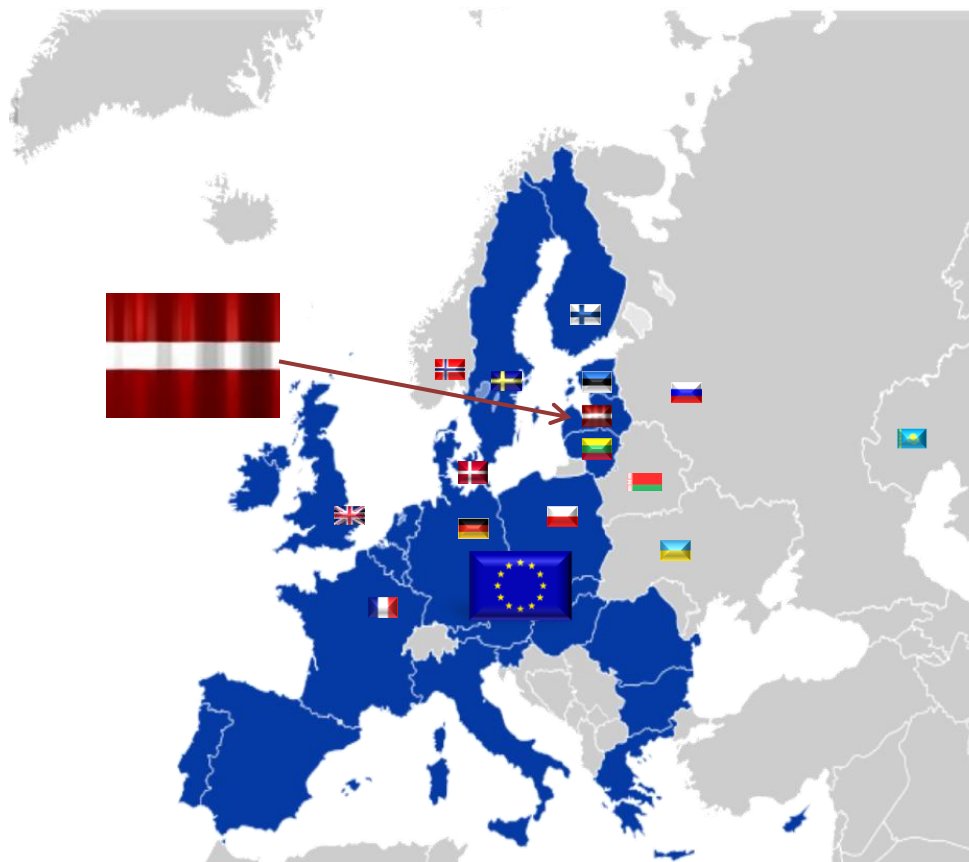

A Latvian-Jewish tailor named Jākobs Jufess invented the jeans (Levi Strauss backed him financially).

Over 50% of Latvia is covered by forest, and it's one of the most environmentally friendly countries on the planet, ranking 2nd in the Environmental Performance Index.
